

# GN 6336.5-ES

Lobe knobs

INOX  
Stainless Steel

## technical informations

### Star knob

AISI CF-8 stainless steel ES, sandblasted matte finish.

### Threaded bolt

AISI 303 stainless steel.

### Assembly

The threaded bolt is screwed in and secured by a crossdowel.

### Features and applications

Stainless steel, thanks to its high resistance to corrosion, allows the application of these lobe knobs on machines and equipment in those sectors where laws or particularly hygienic, climatic and environmental factors make it mandatory to use corrosion resistant materials.
